2021-2030 Press Release Index

File name	Full title
2021	
2021-01-04 _ 2020_statistics	2020 - a remarkable year
2021-01-08 _ Carbon_dioxide_forecast	Atmospheric carbon dioxide to pass iconic threshold
2021-01-13 _ Amber_snow_warning	Severe weather warnings for snow and ice - January 2021
2021-01-14 _ Warmest_10_years	2020 ends earth's warmest 10 years on record
2021-01-15 _ Snowy_start_to_Saturday	Amber warning for snow – January 2021
2021-01-17 _ Amber_warning_for_rain	Amber warning for rain – January 2021
2021-01-18 _ Future_flight_announcement	Expertise allowing future flight technology to soar
2021-01-18 _ Storm_Christoph_named	Storm Christoph has been named
2021-01-21 _ End_of_storm_Christoph	A cold spell to come – January 2021
2021-01-22 _ Remaining_cold	Remaining cold with potential further rain – Jan '21
2021-01-27 _ Snow_rain_warning	Opposing forces create a forecast of 2 halves – Jan'21
2021-01-29 _ Wintry_conditions	Wintry conditions remain – January 2021
2021-01-30 _ More_cold_weather_to_come	Cold weather continues – January 2021
2021-02-01 _ Wintry_conditions	More snow to come – February 2021
2021-02-02 _ Winter_to_tighten_its_grip	Winter to tighten its grip – February 2021
2021-02-02 _ Snow_risk_continues	More snow on the way – February 2021
2021-02-05 _ Amber_snow_South_East	Snow moving in for many – February 2021
2021-02-07 _ Storm_Darcy_named	Storm Darcy named
2021-02-08 _ Cold_and_snowy_week_ahead	Cold and snowy week ahead – February 2021
2021-02-09 _ Drier_European_summers	Drier European summers projected under climate change
2021-02-10 _ Milder_conditions	Cold weather gives way to milder conditions – Feb 2021
2021-02-12 _ Milder_weekend	Milder conditions over the weekend – February 2021
2021-02-19 _ Rainfall_warnings	Prolonged rain triggers series of rainfall warnings
2021-02-22 _ Amber_rain_warning_Scotland	Amber rain warning for Scotland – February 2021
2021-03-01 _ Winter_February_stats	Winter and February climate statistics
2021-03-08 _ Wet_and_windy_conditions	Settled weather gives way to wind and rain
2021-03-11 _ Record_breaking_rainfall	Record-breaking rain more likely due to climate change
2021-03-19 _ Climate_change_farming_stress	Climate change to put farming sectors under stress
2021-03-25 _ Cold_snap_March	A short cold spell could bring snow – March 2021
2021-03-26 _ Weather_assortment_Easter	A weather assortment ahead of Easter – March 2021

2021-03-29	Brief_warm_spell	A brief warm spell before Easter – March 2021
2021-04-04	Cold_conditions_take_over	Cold conditions to take over – April 2021
2021-04-19	New_board_members_announced	New board members announced
2021-04-19	Climate_indicators	2020: Climate indicators reveal worsening climate
2021-04-22	Supercomputer_agreement_Microsoft	Supercomputing leap in weather and climate forecasting
2021-04-30	April_statistics	April's lowest average minimum temperatures since 1922
2021-05-11	Science_conference	Conference tackling world's greatest climate challenges
2021-05-18	WeatherReady	Don't get caught out by the weather this summer
2021-05-19	Milder_weather_to_come	Wet and windy end to the week before settling down
2021-05-25	Weather_forecasts_aviation_emissions	Weather forecasts could reduce aviation CO2 emissions
2021-05-27	Climate_update_1.5C	Temporary exceedance of 1.5°C increasingly likely
2021-05-28	May_statistics	Cool, wet May brings a Spring of marked contrasts
2021-06-12	Military_meteorologist_MBE	Met Office military meteorologist awarded MBE
2021-06-15	Name_our_storms	Met Office launches search for the next storm names
2021-06-23	Hadley_Centre_work_programme	New climate science programme to meet climate challenge
2021-06-30	Net_zero_2030	Met Office to be Net Zero by 2030
2021-07-01	Wimbledon_environment_day	Increasing climate challenge to Wimbledon Championship
2021-07-12	High_impact_weather_study	Climate change shifting UK's high-impact weather
2021-07-16	Dry_hot_weekend	Dry, hot weekend for much of the UK
2021-07-19	Extreme_heat_warning	Extreme heat warning issued for western areas
2021-07-20	Yellow_thunderstorm_warning	Yellow thunderstorm warning issued amid heatwave
2021-07-21	Yellow_rain_warning	Yellow rain warning as heatwave dissipates
2021-07-23	Weather_warnings_unsettled_weekend	Weather warnings in place for unsettled weekend
2021-07-27	July_thunderstorms	Severe Weather Warnings in place
2021-07-29	Storm_Evert_named	Storm Evert named
2021-07-29	State_of_the_UK_climate	Climate change continues to be evident across UK
2021-08-08	IPCC_report_climate_urgency	Landmark report stresses urgency of climate crisis
2021-08-25	Europe_warmest_year	Europe experiences warmest year on record in 2020
2021-09-01	Hot_summers_Scotland_N.Ireland	One of the hottest summers in Scotland and N. Ireland
2021-09-01	Storm_names_announced	UK friends, families and pets recognised in storm names
2021-09-07	Changeable_weather	Changeable weather to come after hot spell
2021-09-14	WeatherReady_winter	Nearly 40% of Brits caught out by winter weather
2021-09-22	Engineering_fellowship_CEO	Engineering Fellowship for Met Office Chief Executive

2021-09-23	Change_in_weather_type	A change is on the way
2021-09-27	Methane_removal_benefits	New studies highlight benefits of methane removal
2021-10-01	September_statistics	Warm September marks start of Autumn
2021-10-01	Autumnal_feel	Autumnal feel to the start of October.
2021-10-01	WISER_Africa	WISER makes progress in Africa
2021-10-20	Storm_Aurore	Storm Aurore Named by Météo-France
2021-10-21	Science_Pavilion_COP26	Science expertise integral to the COP26 negotiations
2021-10-25	Landmark_space_weather_conference	Space weather experts convene for landmark conference
2021-10-27	Amber_rain_warnings	Amber and yellow rain warnings issued.
2021-10-28	Amber_warnings_continue	The risk of impacts from heavy rain continues.
2021-10-29	Met_Office_at_COP26	Met Office at COP26
2021-10-31	WMO_provisional_statement	20-year global temperature passing iconic threshold
2021-11-03	UKNCSP_support	UK researchers join forces for climate solutions
2021-11-03	Climate_change_record_summer	Climate change drives Europe's record 2021 summer
2021-11-05	Wet_windy_COP26	Wet and windy weekend for climate conference.
2021-11-05	Climate_action_urgency	Dashboard highlights urgency of climate action
2021-11-08	AmazonFACE_announced	Ground-breaking research in the Amazon announced
2021-11-08	Future_extreme_rainfall	Future extreme rainfall more extreme than first thought
2021-11-09	Heat-stress_risk	One billion face heat-stress risk from 2°C rise
2021-11-24	Windy_and_cold_spell	Windy and cold spell to come
2021-11-25	Storm_Arwen_named	Storm Arwen named
2021-11-26	Red_warning_for_Storm_Arwen	Rare red weather warning issued for Storm Arwen
2021-11-27	Storm_Arwen_abating	Storm Arwen now starting to abate
2021-11-29	Physics_fellowship_Prof_Endersby	Honorary Physics Fellowship for Prof. Penny Endersby
2021-12-01	Autumn_statistics	Warmest Autumn on record for Northern Ireland
2021-12-05	Storm_Barra_named	Storm Barra named
2021-12-10	Yellow_wind_warning	Yellow wind warnings for northwest Scotland
2021-12-15	OGC_awards_IT_fellow	Prestigious Award for Met Office IT Fellow
2021-12-15	New_climate_normal	Charting the UK's changing climate
2021-12-17	Unsettled_Christmas	Unsettled Christmas?
2021-12-20	Christmas_outlook	Christmas outlook
2021-12-21	Global_temperature_forecast	2022 expected to continue run of world’s warmest years
2021-12-24	Christmas_weather	Christmas weather

2021-12-29 _ Mild_new_year 2022 rides in on a plume of mild air
2021-12-30 _ Weather_in_review 2021: the UK's weather in review
2021-12-31 _ New_year_temperatures Extremely mild spell ushers in New Year

2022

2022-01-01 _ New_years_day New Temperature Records for the UK.
2022-01-12 _ Global_CO2_forecast Nature doing heavy lifting to slow carbon-dioxide rise
2022-01-19 _ HadCRUT5_WMO 2021 continues warm global temperature series
2022-01-25 _ IT_medal_for_CEO Prestigious IT Medal for Met Office Chief Executive
2022-01-28 _ Storm_Malik_named Storm Malik named by Danish Met Service
2022-01-29 _ Storm_Corrie_named Storm Corrie has been named
2022-02-06 _ Arctic_sea_ice_impacts Study clarifies Arctic impacts on British winters
2022-02-11 _ Unsettled_week_ahead Unsettled weather to come
2022-02-14 _ Storms_Dudley_and_Eunice_named The Met Office names two storms
2022-02-15 _ Storms_Dudley_and_Eunice_impact Storms Dudley and Eunice to impact the UK
2022-02-16 _ Amber_storm_warnings Amber warnings in force for Storms Dudley and Eunice
2022-02-17 _ Red_warning_Storm_Eunice Red Weather Warning issued for Storm Eunice
2022-02-18 _ Wet_windy_weekend Wet and windy weekend follows Storm Eunice
2022-02-18 _ Storm_Eunice_impacts Storm Eunice continues ahead of unsettled weekend
2022-02-18 _ Red_warnings_Storm_Eunice Red Weather Warnings in force for Storm Eunice
2022-02-20 _ Storm_Franklin_named Storm Franklin named
2022-02-22 _ Unsettled_week_after_Franklin Unsettled week ahead
2022-02-23 _ Predicted_wildfires_increase Up to 50% increase in wildfires by 2100
2022-02-24 _ More_changeable_weather More changeable weather to come
2022-02-28 _ Climate_change_risks The bleakest assessment yet of climate change risk
2022-03-01 _ Europe_climate_drivers Understanding one of Europe's biggest climate drivers
2022-03-10 _ Changeable_weather Changeable weather
2022-03-25 _ Warm_weekend_change_coming Warm weekend, but change is on the way
2022-03-25 _ Victorian_rainfall_data_recovery Victorian rainfall data rescued
2022-03-28 _ Turning_colder_and_unsettled Turning colder and unsettled
2022-03-29 _ Heatwave_threshold_changes UK Climate Change in action
2022-03-30 _ Cold_unsettled_weather Cold and unsettled weather for many
2022-03-31 _ Cold_weather_continues Wintry weather into the weekend
2022-04-01 _ March_statistics New March sunshine records

2022-04-03	IPCC_group_III_report	IPCC expresses urgency of tackling climate change
2022-04-11	Warmer_but_unsettled_Easter	Warmer but unsettled for many ahead of Easter
2022-04-13	A_fine_Easter_weekend	A fine Easter weekend for most
2022-04-28	Mixed_picture_bank_holiday	Mixed picture for bank holiday weekend
2022-05-08	Decadal_forecast	Temporary breaching of 1.5C in next five years?
2022-05-13	Warm_unsettled_week	Warm next week at times, but unsettled
2022-05-18	Climate_change_indicators	Key climate change indicators break records in 2021
2022-05-18	Southern_Asian_heatwave_study	Climate change making heatwaves more intense
2022-05-20	Active_jet_stream	Active jet stream to bring spells of unsettled weather
2022-05-20	Kyoto_cherry_blossom	Kyoto cherry blossom dates shifted by human influence
2022-05-23	Unsettled_week_ahead	Unsettled week ahead of drier spell to come
2022-05-26	Mixed_weather_setup	Mixed weather setup for next week
2022-05-27	Mixed_weather_Jubilee_weekend	Mixed weather ahead of Jubilee Weekend
2022-05-30	Jubilee_weather_forecast	Jubilee weather forecast
2022-05-31	Jubilee_weather_update	Jubilee weather forecast
2022-05-31	European_rainfall_climate_change	Rainfall across Europe disrupted by climate change
2022-06-01	May_Spring_statistics	Warm May continues the theme of Spring
2022-06-02	Jubilee_weekend	Jubilee weekend forecast
2022-06-02	Dr_Helene_Hewitt_awarded_OBE	OBE for exceptional scientific leader
2022-06-03	Jubilee_thunderstorm_warning	Yellow thunderstorm warnings issued
2022-06-04	Further_thunderstorm_warning	Further thunderstorm warning issued
2022-06-05	Severe_weather_warnings	Severe weather warnings continue for some.
2022-06-06	Wind_and_rain_to_come	Wind and rain to come later this week
2022-06-08	Thundery_downpours	Thundery downpours ahead of unsettled weather
2022-06-10	Mixed_weather_weekend	Mixed weather into the weekend
2022-06-13	Heatwave_potential	Is there a heatwave on the way?
2022-06-14	Warming_up_this_week	Warming up this week
2022-06-15	Warm_weather_continues	Warm end to the week
2022-06-17	Hot_conditions_easing	Hot conditions easing in the South
2022-06-21	Glastonbury_festival_forecast	Glastonbury Festival – wellies or sun cream?
2022-06-23	Glastonbury_weather_update	Glastonbury Festival - will the sun continue to shine?
2022-06-29	More_settled_weather	More settled weather on the way?
2022-06-29	Record_temperature_odds	New study examines chances of record June temperature

2022-07-04	July_weather	What can we expect for July?
2022-07-06	July_heatwave	Warmer weather on the way
2022-07-07	Prolonged_warm_spell	How long will the July warmth last?
2022-07-08	Heatwave_on_the_way	Heatwave on the way
2022-07-12	Extreme_heat_warning_issued	Extreme heat warning issued
2022-07-13	Heat_peaking_next_week	Heat to peak early next week
2022-07-14	Exceptional_heat_possible	Exceptional heat possible early next week
2022-07-15	Red_extreme_heat_warning	UK prepares for historic hot spell
2022-07-19	Record_breaking_temperatures	Record breaking temperatures for the UK
2022-07-20	Record_temperatures_review	Reflecting on an historic spell for weather and climate
2022-07-22	July_heat_review	A milestone in UK climate history
2022-07-28	Record_high_temperatures_verified	Record high temperatures verified
2022-07-28	State_of_the_UK_climate	UK climate continues to change in 2021
2022-08-01	July_statistics	Driest July in England since 1935
2022-08-04	Hot_spell_coming	A hot spell on the horizon
2022-08-08	Heatwave_on_the_way	Heatwave on the way for many
2022-08-09	Extreme_heat_warning_issued	Extreme heat warning issued
2022-08-11	Amber_extreme_heat_warning	Extreme heat for much of the UK
2022-08-13	Extreme_heat_thunderstorms	Extreme heat ahead of thunderstorm warnings
2022-08-15	Days_of_thunder_ahead	UK heading for days of thunder
2022-08-17	Unsettled_weather_continues	Unsettled weather continues for most
2022-08-19	Unsettled_few_days	Unsettled few days
2022-08-22	Final_week_of_summer	The final week of summer?
2022-08-23	New_record_July_heat	New record from July heat
2022-08-24	August_bank_holiday	August Bank Holiday
2022-08-31	State_of_the_climate	World’s oceans capturing unrelenting climate change
2022-09-01	Storm_names_announced	2022/23 storm names announced
2022-09-01	Summer_statistics	Joint hottest summer on record for England
2022-09-01	Yellow_warning_rain	Rain to reign as low-pressure dominates the forecast
2022-09-02	Low_pressure_for_weekend	Low pressure arrives for the weekend
2022-09-05	Unsettled_week_to_come	Unsettled week ahead
2022-09-05	Atlantic_tropical_cyclones	Atlantic tropical cyclones influencing the forecast
2022-09-19	HM_Queen_Elizabeth_II	HM Queen Elizabeth II (1926-2022)

2022-09-21 _ Cool_weekend_coming	Cool weekend on the way for most
2022-09-26 _ Autumnal_week_ahead	An autumnal week ahead
2022-09-28 _ Wet_and_windy	Wet and windy end to the week
2022-09-29 _ Yellow_warnings_issued	Warnings issued ahead of an unsettled end to the week
2022-10-03 _ Strong_winds_heavy_rain	Strong winds and heavy rain mid-week
2022-10-04 _ WeatherReady_winter	Are you WeatherReady?
2022-10-05 _ Blustery_showers_to_continue	Changeable weather to continue for most
2022-10-10 _ Wet_and_windy_weather	Wet and windy weather on the way
2022-10-17 _ Warm_unsettled_end_to_week	Warm but unsettled end to the week
2022-10-19 _ Warm_unsettled_outlook	Warm but unsettled outlook for most
2022-10-31 _ Yellow_warnings_issued	Warnings issued with wind and rain to come
2022-11-01 _ Rain_and_wind_warnings	Wet and windy
2022-11-09 _ Very_mild_wet_windy	Very mild, then wet and windy
2022-11-10 _ Climate_co_benefits_tool	Communicate smarter about climate change action
2022-11-11 _ Climate_extremes_IPCC	Climate extremes from the Poles to the Tropics
2022-11-14 _ Wet_and_windy_week	Wet and windy week for most
2022-11-15 _ Wet_and_windy_weather	Wet and windy week for most
2022-11-16 _ Yellow_rain_warnings	Warnings issued for wet and windy weather
2022-11-16 _ 1.5C_overshoot_scenario	1.5 °C still alive, but most likely in 2100
2022-11-17 _ Amber_warning_rain	Amber warning for rain issued
2022-11-18 _ Drier_Saturday_before_rain	Drier Saturday before rain moves in again
2022-12-01 _ Autumn_statistics	Mild autumn keeps 2022 on track to be warmest UK year
2022-12-05 _ Cold_week_some_snow	Cold week with some snow expected
2022-12-07 _ Cold_weather_with_snow	Cold weather with snow
2022-12-12 _ Cold_weather_to_continue	Cold weather to continue
2022-12-13 _ Changing_conditions	Changing conditions on the horizon, but for how long?
2022-12-13 _ MTG-I1_satellite_launch	Satellite marks next generation of weather forecasting
2022-12-16 _ Change_on_the_way	Change on the way
2022-12-16 _ Amber_snow_warning_Scotland	Amber snow warning for parts of Scotland
2022-12-18 _ Amber_warning_issued	Amber warning issued amid cold weather
2022-12-20 _ Global_temperature_forecast	2023 set to be tenth consecutive year at 1°C or above
2022-12-22 _ Christmas_forecast	Christmas Forecast
2022-12-28 _ Provisionally_warmest_year_UK	2022 provisionally warmest year on record for UK

2022-12-29 _ Wet_and_windy_new_year — Wet and windy New Year for most
2022-12-30 _ New_year_forecast — Wet and windy New Year's Eve
2022-12-31 _ New_year_honours — OBE for Internationally renowned Climate Scientist

2023

2023-01-05 _ Climate_change_UK — Climate change drives UK's first year over 10°C
2023-01-11 _ Wet_and_windy_week — Wet and windy week before a change on the way
2023-01-12 _ Hadcrut5_WMO — 2022: sixth warmest year on record globally
2023-01-13 _ Mild_and_wet_snow_chance — Mild and wet turning to cold with a chance of snow
2023-01-17 _ Amber_snow_warning_Scotland — Amber warning for snow issued for Scotland
2023-01-18 _ Cold_weather_continues — Cold weather to continue
2023-01-27 _ Global_carbon_dioxide_forecast — La Niña slows atmospheric CO_2 rise: but not for long
2023-02-16 _ Storm_Otto_named — Storm Otto named by Danish Met Service
2023-02-22 _ Windy.com_forecast — High resolution Met Office forecast on Windy.com
2023-02-27 _ Cat_2_responder_status — Met Office role in national resilience recognised
2023-03-01 _ February_and_winter_stats — Driest February in 30 years for England
2023-03-02 _ Turning_colder_snow_coming — Turning colder with snow on the way
2023-03-03 _ Snow_and_ice_warnings — Snow and ice warnings issued
2023-03-06 _ Impactful_snow_and_cold — Impactful snow and cold this week
2023-03-07 _ Rain_frequency_research — New research shows increasing frequency of extreme rain
2023-03-07 _ Snow_impact_update — Impactful snow for many
2023-03-08 _ Amber_warning_for_snow — Amber warning for snow
2023-03-09 _ Amber_warnings_issued — Amber warnings issued for snow and ice
2023-03-10 _ Cold_weather_to_return — A brief respite for some before cold returns
2023-03-13 _ Mixed_week_rain_wind_snow — Mixed week of rain, wind and snow
2023-03-14 _ Wind_and_rain_follow_cold — Wind and rain to follow cold period
2023-03-20 _ Reducing_odds_1.5C — Reducing odds to limit warming to 1.5°C rise
2023-03-22 _ Low-carbon_decisions_public — Over half of public making low-carbon decisions
2023-03-31 _ March_statistics — Wettest March in over 40 years for England and Wales
2023-04-03 _ Changeable_week_ahead — A changeable week ahead
2023-04-05 _ Easter_weather — Good Friday: but not so good on Easter Monday
2023-04-08 _ Wet_and_windy_weather — Wet and windy weather to come
2023-04-09 _ Windy_weather_warnings — Warnings issued for windy weather to come
2023-04-11 _ Unsettled_week_ahead — Unsettled week ahead

2023-04-12	Wind_warnings_issued	Wind warnings issued
2023-04-13	Droughts_developing_more_rapidly	Droughts developing more rapidly says global study
2023-04-24	Cold_week_ahead	Cold week ahead
2023-04-26	Bank_holiday_weekend	Bank holiday weekend forecast
2023-04-28	Bank_holiday_weekend_weather	Can you bank on the bank holiday weather?
2023-05-02	Weather_for_the_coronation	Weather for the Coronation
2023-05-03	Weather_for_the_coronation_update	Weather for the Coronation
2023-05-04	Coronation_forecast_update	Weather for the Coronation
2023-05-05	Coronation_weather_update	Weather for the Coronation
2023-05-17	Global_temperature_records	New global temperature records on the horizon
2023-05-19	Spring_weather_mood	Has spring weather influenced your mood?
2023-05-22	Settled_conditions	Settled conditions set for last week of spring
2023-05-25	May_bank_holiday_forecast	Fine, dry bank holiday weekend
2023-05-31	Catherine_Bremner_Board_appointment	Catherine Bremner appointed to the Met Office Board
2023-06-01	UKHSA_weather-health_alerts	Adverse Weather-Health Alerting system updated
2023-06-01	Extreme_weather_research_funding	£11m programme to improve extreme weather forecasting
2023-06-05	June_sunshine	Sunny week ahead
2023-06-07	Turning_warmer_but_unsettled	Turning warmer but more unsettled
2023-06-08	Thunder_risk_warning	Warning issued ahead of thunder risk
2023-06-11	Thunderstorm_warnings	Warnings issued ahead of thunder risk
2023-06-15	Unsettled_conditions_warm_weather	Unsettled conditions to come as warm weather continues
2023-06-16	Warning_thundery_shift	Warning issued ahead of thundery shift
